Motorcycle UTV / ATV Lift

Shown with optional extension kit.

MOTORCYCLE, UTV AND ATV LIFT FOR WORKSHOP SERVICING AND REPAIR

Ideal for:

The Steiner LT060S is a compact 600 kg lift designed for servicing motorcycles, UTVs and ATVs. Its wide platform, adjustable wheel clamp and removable rear cover provide a practical, versatile solution for workshop servicing and repair.

Features:

- › 600 kg lifting capacity
- › Electric-hydraulic operation
- › Automatic safety lock
- › Adjustable front wheel clamp
- › Wide platform with integrated tie-down slots
- › Removable rear tyre access cover
- › Hydraulic flow restrictor for smooth, controlled lowering
- › Wheel clamp and approach ramps supplied as standard
- › Optional width extension kit for three and four-wheel vehicles

Our promise: If you are not 100% satisfied with your equipment, Hoist & Garage will repair, replace or refund the equipment free of charge within the first 100 days.
