LT50SAPRO

5 Tonne Alignment Scissor Lift

**LOW PROFILE HYDRAULIC SCISSOR HOIST
FOR SERVICE AND ALIGNMENT WORK.**

Ideal for:

This premium Korean-made lift is a smart investment for busy tyre shops and dealerships, offering superior accessibility with above-ground or in-ground installation options and a crossbar-free design for unobstructed access.

Features:

- › No front or rear crossbars allows clear access between platforms
- › Auto self-levelling system
- › Includes hydraulic rolling jacks
- › Available as above-ground or in-ground configuration
- › Control box mounted LCD panel to display hoist functions and diagnostics
- › Air-operated locking rear slip plates (auto or manual)
- › Retractable crossbeams supplied for using both jacks for underbody repair
- › LED lights that turn on automatically as the hoist rises
- › Platform length 4526mm

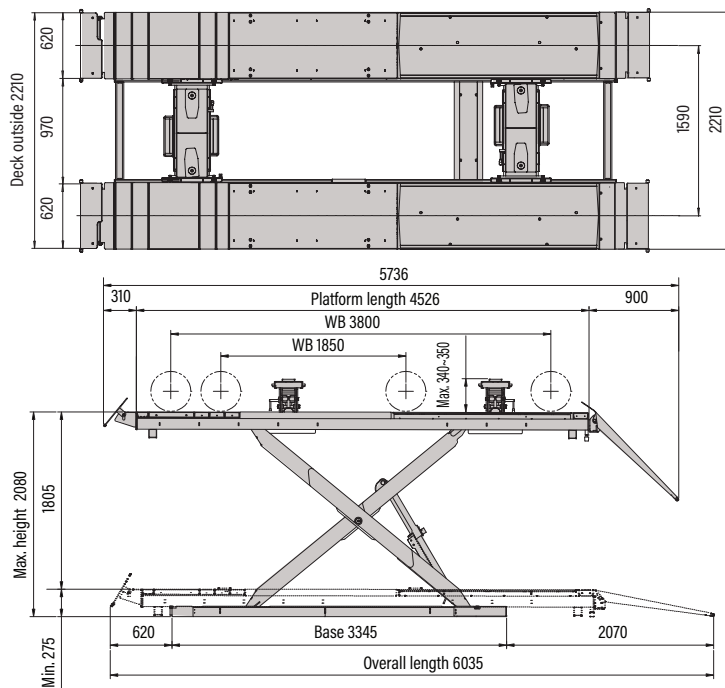

Our promise: If you are not 100% satisfied with your equipment, Hoist & Garage will repair, replace or refund the equipment free of charge within the first 100 days.
