

STEINER
 PROFESSIONAL SERIES

LT60SAPRO

6 Tonne Alignment Scissor Lift

**LOW PROFILE HYDRAULIC SCISSOR HOIST
FOR SERVICE AND ALIGNMENT WORK.**

Ideal for:

This premium Korean-made lift is a smart investment for busy tyre shops and dealerships, offering superior accessibility with above-ground or in-ground installation options and a crossbar-free design for unobstructed access.

Features:

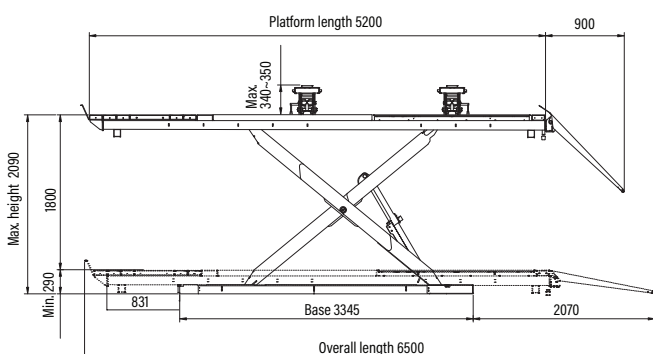

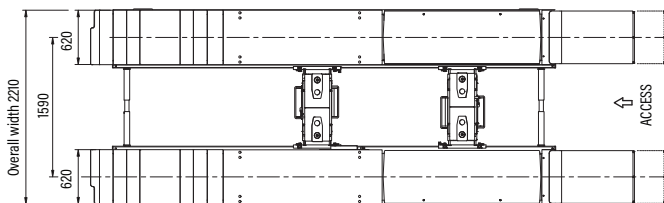

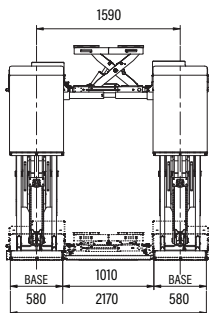

- › Easy access between platforms
- › Foldable crossbeam for underbody repairs (optional)
- › Powerful balancing system overcomes weight differences of more than 1 ton left/right
- › Electronic synchronisation system automatically maintains platform level
- › Pneumatic locking rear slip plate (Auto/Manual)
- › LCD panel integrated into control box displays functions and diagnostics
- › LED lighting automatically turns on/off during use
- › Status display LED lighting (optional)
- › Extendable platforms: Front 300mm + Rear 300mm (optional)

Our promise: If you are not 100% satisfied with your equipment, Hoist & Garage will repair, replace or refund the equipment free of charge within the first 100 days.
