

STEINER

LTSM3000

3 Tonne Portable Single Post Lift

PORTABLE SINGLE POST LIFT FOR FLEXIBLE WORKSHOP SERVICING

Ideal for:

The Steiner LTSM3000 is a portable 3 tonne single post lift designed for workshops where space and flexibility are important. Its wheeled base allows easy repositioning, while the single post design provides excellent vehicle access for servicing and repair.

Features:

- › 3,000 kg lifting capacity
- › Portable single post design
- › Wheeled base with floating rollers
- › 1,825–1,971 mm lifting height
- › 106 mm minimum lifting height
- › Self-lubricating UHMW polyethylene sliders
- › Self-lubricating bronze bush
- › Manual double-lock safety release
- › Automatic lowering alarm
- › Arm locking system with manual release

Our promise: If you are not 100% satisfied with your equipment, Hoist & Garage will repair, replace or refund the equipment free of charge within the first 100 days.

3 Tonne Portable Single Post Lift

**PORTABLE SINGLE POST
LIFT FOR FLEXIBLE
WORKSHOP SERVICING**

Design & safety

**› Portable design**

Wheeled base with floating rollers for easy repositioning

**› Double safety locks**

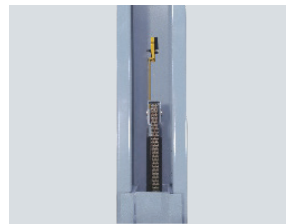

Manual safety release provides controlled operation

**› Arm locking system**

Manual release handles allow convenient adjustment

**› Lowering alarm**

Automatic warning sounds when lowering below 300 mm

**› Chain protection**

Protective cover helps prevent chain displacement

**› Low-maintenance design**

Self-lubricating sliders and bronze bush reduce maintenance requirements
